

Tara Molloy-Grocki, President and NYSUT Delegate

I am running for President of RC10. I retired 2 years ago from the Guilderland Central School District. I was an elementary teacher for 31 years. I began my career in New York City at the Ralph Bunche School PS 125. I worked there for three years before moving to the Capital Region, where I was hired as a Gen Ed teacher in Guilderland. I taught in Guilderland for 28 years. Over my career, I taught grades 2-5.

I held several union leadership roles with the Guilderland Teachers' Association. I was Building Rep, Vice President, and President. I was an ED10 delegate to the NYSUT RA. I wrote several resolutions that were passed. I have been part of Committee of 100 for many years. I am currently the Political Action Coordinator for Senate District 46 for NYSUT.

I was elected to the Guilderland Central School Board in May of 2024. I wanted to keep supporting public education. As a School Board member, I get a whole new perspective on how the district is run.

I became involved in RC 10 as soon as I retired so I could continue to help my sisters and brothers in labor and continue to spread the word of strength in the union. We are here to help everyone. In retirement, I have more free time to protest and advocate for justice for all.

Thank you for your support.
